

SIVA RAJ M

Computer Science Engineering Student | Aspiring Software Developer | LinkedIn: [linkedin.com/in/sivarajm1811](https://www.linkedin.com/in/sivarajm1811)

PROFESSIONAL SUMMARY

Motivated Computer Science Engineering student with hands-on experience in web development, intelligent academic systems, databases, and data-driven applications. Skilled in HTML, CSS, JavaScript, Python, SQL, MySQL, and MongoDB, with a strong interest in artificial intelligence and practical software solutions. Seeking an opportunity to apply technical knowledge, problem-solving skills, and continuous learning in a software development or technology-focused role.

SKILLS

Technical Skills	HTML, CSS, JavaScript, Python, C, SQL, Responsive Web Design, Dashboard Development, Data Visualization.
Tools & Platforms	Git, GitHub, Visual Studio Code, MySQL, MongoDB, Chart.js, Cloud Concepts
Core Areas	Web Development, Intelligent Systems, Academic Analytics, AI Concepts, Prompt Engineering, Database Management.
Soft Skills	Problem-Solving, Communication, Team Collaboration, UI/UX Thinking, Continuous Learning.

PROJECTS

Student Academic Intelligence System — HTML, CSS, JavaScript, QR-based features

- Built a centralized academic management and intelligence platform for monitoring student attendance, curriculum activities, and academic performance.
- Developed features for smart attendance management, attendance-risk awareness, early warnings, dynamic QR-based attendance, student dashboards, faculty dashboards, analytics, and a what-if attendance simulator.
- Designed an interactive dashboard experience to present attendance, curriculum, activities, and risk insights in one system.

EDUCATION

Bachelor of Engineering / Bachelor of Technology — Computer Science
Engineering Pondicherry University — “Rajiv Gandhi College of
Engineering and Technology” [2025-2029]

CERTIFICATIONS & LEARNING

- Cybersecurity learning and Skill India-related technical development
- AWS and cloud computing learning
- Artificial intelligence and prompt engineering learning
- MySQL, MongoDB, data visualization, web page design, and data science learning

LANGUAGES

Tamil (Native) • English (Professional Working Proficiency)
